Dear Patient,

I hope this letter finds you happy and healthy. I am writing to let you know of a rather significant change in our healthcare relationship at Brooking Pain Clinic. After much thought and consideration, I have decided to focus on my practice in Sioux Falls, Sioux Falls Foot Specialist PLLC, located at 3900 W 41<sup>st</sup> Street, near the Empire Mall just off of I-29. This is an opportunity I simply can't pass up, as our practice there is growing by leaps and bounds. I'm aware that many of you will find this change of location difficult for any number of reasons, not the least being travel distance, but I hope you will continue under my care.

Wednesday August 25<sup>th</sup> 2021: last day seeing patients at Brooking Pain Clinic

September 1<sup>st</sup> 2021: Our first day strictly seeing patients at Sioux Falls Foot Specialist, Sioux Falls.

It is very important to me, and to the Brooking Pain Clinic, that you maintain continuous health care. If you continue under my care, there is no need to request records or move any medical information around. After August 25<sup>th</sup> 2021, you may call the Sioux Falls Foot Specialist clinic directly at 605-274-2564 to schedule your next appointment with Greta or Julie. I do hope you will continue your care with me, and my staff, at our Sioux Falls Foot Specialist location.

I am grateful to you for entrusting me with your foot and ankle health over the years.

Thank you for allowing me to be your doctor.

Sincerely,

Gabriel Rodriguez DPM
